To
Medical Director,
Ashtavakra Institute of Rehabilitation Sciences & Research
Madhuban chowk, Rohini
Delhi -110085

This is in reference to our discussions held on 18/9/2018 with Mr Himanshu regarding to interns, in continuation to our discussions we request you to kindly provide two Interns at our Gurgaon Centre and one at Our Ghaziabad Centre apart from one at Rohini as it was felt that it will be in the interest of interest of Interns that they be placed in all our centres so that they have more exposure to Audiology and Diagnostic tests as it is seen that that exposure at the moment is limited and lot of exposure is required in field of Audiology particularly in taking ear impressions as we had faced problems and serious issues last month when ear impression was taken for a patient with operated ear and the patient needed surgery, also it will help them grow as they will have first hand experience of managing a Audiological Centre.

The Address of our Gurgaon Centre is:
Hope Enterprises
c/o Medharbour Family Clinic,
50 SP, Sector-45, Block C, Uday Nagar, Gurugram-122003

the Address of Ghaziabad centre is
Vardhman Hospital,
Sanjay Nagar, Ghaziabad

As discussed the timings shall be 10:00 AM to 5:30PM and kindly consider our request of a stipend of Rs.5500/- per month as these are our new centres and once these centres grow we shall be happy to increase the stipend.

Kindly consider our request and Oblige.

Thanks & Regards

Neelam

(Proprietor)
