**Convenor/In-charge:** Ms. Gangotri

**No. of Students:** 52

### Objective of the Event:

- To create awareness about importance of soil health in sustaining agriculture and our lives.
- To make the students aware of the importance of healthy soil and advocate for eco-friendly soil management.
- To raise awareness about 'Keep Soil Alive, Protect Soil Biodiversity'

### Report of the Event

World Soil Day was celebrated on 5<sup>th</sup> December 2020 by Ashtavakra Institute of Rehabilitation, Sciences and Research with great enthusiasm like every year.

The event began with an informative speech about the Healthy Soil by Ms. Gangotri. She highlighted the importance of this special day and informed the students that they should maintain healthy ecosystem and focus on healthy soil.

Speaking about the event Mrs. Sanjana Mittal, Deputy Director, AIRSR elaborated the facts regarding importance of nutrients in soil. She also emphasized that burning of crops residues and stubbles on the farm should not be practiced as it leads to killing of beneficial microorganisms from the soil making it sterile. She also explained that healthy soil is the foundation of food system. It produces healthy crops that in turn nourish people.

Speaking about the event Mr. Dhirender Pal, Faculty (Cerebral Palsy Department) explained that the key to soil restoration is to maximize the retention and recycling of organic matter and plant nutrients and to minimize the losses of these soil components caused by leaching, runoff and erosion.

Thereafter the Students made creative things with the help of soil and expressing their views about Soil Day. Overall programme was very informative and Fruitful.
