Report: Description in (min250to max800 words)*

As part of the **Ek Bharat Shreshtha Bharat (EBSB) initiative**, our institution observed **World Hearing Day** on **March 3, 2025**, to raise awareness about hearing loss, early detection, and preventive measures. The event aimed to highlight the importance of ear and hearing care while promoting cultural and regional inclusivity.

The program started with the introductory speech of Mr. Prabhat Ranjan by It is an honor to stand before you today to talk about **World Hearing Day**, an important occasion observed every year on **March 3rd** to raise awareness about hearing loss and ear care. This day, led by the **World Health Organization (WHO)**, highlights the importance of early detection, prevention, and treatment of hearing-related issues.

Hearing is one of our most valuable senses, allowing us to communicate, learn, and connect with the world. However,

	<p>over 1.5 billion people globally experience hearing loss, and many do not receive the care they need. Noise pollution, infections, genetic factors, and lack of awareness contribute to this growing problem.</p> <p>Early intervention is crucial. Simple steps like avoiding loud noises, using ear protection, seeking medical help for ear infections, and regular hearing check-ups can prevent hearing loss and improve the quality of life for many</p> <p>Ms. Sanjana Mittal Deputy Director of AIRSR motivated the students for showcasing diverse Awareness The event successfully combined the objectives of World Hearing Day and Ek Bharat Shreshtha Bharat, promoting awareness and unity through educational and cultural activities.</p>
