Learning Outcomes

A poster-making competition on the theme of the environment can result in several valuable learning outcomes for participants. These outcomes can benefit both their understanding of environmental issues and their creative and communication skills.

1. Enhanced Environmental Awareness

Participants gain a deeper understanding of environmental issues such as climate change, pollution, deforestation, and conservation. They learn about sustainable practices and the importance of protecting natural resources.

2. Creative Expression

Students develop their creative thinking and artistic skills as they express complex ideas visually. They learn to use different artistic techniques, such as color, design, and composition, to convey their message.

3. Communication Skills

Through their posters, participants practice how to effectively communicate a clear and impactful message about environmental issues. They learn the importance of visual storytelling in raising awareness and inspiring action.

4. Research Skills

To create an effective poster, participants often research environmental topics, learning how to gather, assess, and synthesize information. This builds their ability to analyze data and understand the relevance of various environmental facts and statistics.

5. Collaboration and Teamwork

In cases where students work in groups, they develop collaboration and teamwork skills by brainstorming ideas and combining talents.

Program *Meth* **NSS (SFU)**
Ashtavakra Institute of Rehabilitation Sciences and Research
Madhuban Chowk Rohini, Sector-14, Delhi-110085

	<p>6. Problem-Solving and Critical Thinking</p> <p>Participants are challenged to think critically about environmental problems and possible solutions, leading to a better understanding of cause-and-effect relationships in ecosystems and human impact.</p> <p>7. Responsibility and Advocacy</p> <p>The competition encourages participants to take personal responsibility for environmental issues and to think about how their actions can promote sustainability. It nurtures a sense of advocacy, motivating them to become environmental ambassadors.</p> <p>8. Appreciation for Diversity in Perspectives</p> <p>Through viewing other participants' posters, students gain an appreciation for different perspectives and creative approaches to addressing environmental challenges.</p> <p>In essence, such a competition promotes holistic development, blending artistic creativity with environmental advocacy, and fosters a strong sense of responsibility toward the planet.</p>

Report: Description in (min 250 to max 800 words)*

On September 25th 2024 NSS club conducted Poster competition on the theme titled " Save Environment" with a series of engaging and educational events aimed at raising awareness about environment drive.

The event was started with the introductory speech of Ms. Neeti kaushik, Nodal Officer of NSS. In her speech she discussed the importance of environment.

The theme for the event was "Save Environment," aimed at encouraging students to express their ideas creatively on how to protect and preserve the environment.

Participants:

The competition saw enthusiastic participation from over 20 students from various courses. Participants used a wide variety of mediums, including colored

pencils, watercolors, and even recycled materials, to create thought-provoking posters. The posters displayed different aspects of environmental conservation, such as saving trees, reducing plastic usage, and promoting clean energy.

Judging Criteria:

The posters were evaluated on several criteria:

- Creativity
- Relevance to the theme
- Artistic presentation
- Overall impact and message clarity

A panel of judges, including Poonam mam, Prabhat sir, had the challenging task of selecting the winners due to the high quality and originality of the submissions.

Conclusion

The Poster Making Competition successfully raised awareness about environmental issues and inspired students to think critically about their role in preserving the environment. All participants were awarded certificates of appreciation for their efforts. The event concluded with a message from the organizers encouraging students to continue advocating for environmental sustainability in their daily lives.
