Report: Description in (min 250 to max 800 words)*

The Intra-Institute Badminton Competition was held on June 05 2024. This event aimed to foster a spirit of healthy competition among students, encourage physical fitness, and provide a platform for talented players to showcase their skills. The level of competition was high, with several matches being closely contested. Few students stood out as exceptional players, dominating in both their singles and doubles categories. All participants exhibited excellent sportsmanship and fair play throughout the competition. The event was conducted smoothly, with no disputes or incidents. The finals attracted a large audience, with students and faculty members cheering for their peers. The event was a success, meeting all objectives. There is a recommendation to increase the number of courts for future competitions to allow for more participants and reduce waiting times. The finals attracted a large audience, with students and faculty members cheering for their peers. The atmosphere was energetic, particularly during the mixed doubles final, which was the most anticipated match of the event. The Intra-Institute Badminton Competition was a resounding success, showcasing the institute's badminton talent and promoting a spirit of camaraderie and sportsmanship among the participants. The event achieved its goals of encouraging physical activity and highlighting the importance of sports in a balanced academic life.
