International Sign Language Week 2026 was observed at Ashtavakra Institute of Rehabilitation Sciences and Research under the theme "Promoting Sign Language for an Inclusive and Accessible Society." The programme was organized through a series of awareness, interactive, creative, experiential, and academic activities from 21st to 25th September 2026. The week-long programme aimed to promote awareness and appreciation of Indian Sign Language (ISL), encourage inclusive communication, strengthen understanding of Deaf awareness, and highlight the importance of early identification and hearing assessment.

The programme commenced on 21st September 2026 with Games & Interactive Activities coordinated by Mr. Harsh. The session included sign language-based games, interactive activities, and fun learning exercises designed to encourage communication through signs. The activity provided an engaging platform to experience communication beyond spoken language and appreciate the importance of accessible communication.

On 22nd September 2026, Ms. Jyoti coordinated the Presentation & Poster Making activity. Student presentations and creative poster-making focused on the importance, role, and promotion of Indian Sign Language. The activity encouraged participants to communicate awareness messages creatively and strengthened their understanding of ISL as an important component of inclusive and accessible education and society.

The third day, 23rd September 2026, featured an ISLRTC Programme coordinated by Ms. Radha Rawat. Students attended the programme and participated in activities related to Indian Sign Language and Deaf awareness. The exposure broadened participants' understanding of sign language, Deaf awareness, communication accessibility, and the

importance of creating supportive environments for persons with hearing impairment.

On 24th September 2026, Mr. Jitender Srivastava coordinated an Awareness Programme & Sign Language Pledge. The awareness session highlighted the importance of sign language, followed by a Sign Language Pledge encouraging inclusive communication and respect for the Deaf community. The activity reinforced the responsibility of educational institutions and individuals in promoting communication access and social inclusion.

The final activity on 25th September 2026 was an Expert Lecture on Hearing Testing, coordinated by Mr. Prabhat Ranjan. The session covered basic concepts of hearing testing, the importance of early identification, and relevant assessment practices. It helped participants understand the role of timely hearing assessment in identifying hearing-related needs and facilitating appropriate support and intervention.

Overall, International Sign Language Week provided a meaningful combination of experiential learning, creative expression, awareness building, community-oriented participation, and academic learning. The programme promoted positive attitudes towards Indian Sign Language and strengthened awareness of inclusive communication, Deaf awareness, hearing assessment, and accessibility. Through these activities, participants were encouraged to recognize communication diversity, respect the Deaf community, and contribute towards building a more inclusive and accessible society.
